## & DECK MATE TOOLS

### THE TOP-SNAPPER™ TOOL

The Top-Snapper's notched blades fit over the snap shoulder to enable the snap halves to be aligned and snapped. With two blades, the Top-Snapper is the only snap tool that will work on either inside or outside snaps. Comfortable, ergonomic grip and stainless steel blades are designed for marine conditions.

### THE DECK MATE™ TOOL

Want instant access to six of your most commonly used boating tools? Then you want the DeckMate Boat tool! On one end, the DeckMate includes two universal deck plate keys, a boat shackle key, a flat-head screwdriver, and a 1/4" Hex head driver. On the other end, you'll find a zipper/toggle pull and a bottle opener. No other boat tool offers a deck plate key, boat shackle key and four other handy tools in one package.

## TOP-SNAPPER DISPLAY PACKS

### DISPLAY PACK N°.1

Display 12 Top-Snappers in a counter size (8" x 5") point of purchase display. Make it easy for your customers to find the Top-Snapper with this informative four colour display. Sales typically increase by 2-4 times when the display pack is used.

### DISPLAY PACK N°.2

Combine 4 of the popular Top-Snappers with 4 Canvas Care Kits. This combination presents the ideal combination to any customer with a boat top or cover. The graphics are interchangeable on each display so you can adjust your product mix to suit your customer.

## CANVAS CARE KIT
